

About the Royal Arcanum

In the latter part of the 19th century, immigrants to this country formed fraternal benefit societies for social interaction and to protect themselves from financial hardship. These groups were among the first to offer quality fraternal life insurance.

Royal Arcanum is a not-for-profit member based benefit society. Founding values of Virtue, Mercy and Charity continue to guide the Society. In addition to solid, affordable financial products, Royal Arcanum offers many activities and donates time and money for community service and charitable causes. Quality financial products and outstanding community programs make membership in the Royal Arcanum a remarkable value.
