Dear Mr. Herbert J. Snyder,

Thank you so much for choosing me as one of the winners for the Royal Aramco Scholarship. I appreciate your support, and I will not let you down!

I will be attending UCLA this September, and I am beyond excited. I have no doubt that I will grasp every opportunity that UCLA has to offer, and with the tools that they will provide, I will learn and help change the world for the better.

Thank you so much again for everything!

Sincerely,

Justine Tamero
